

FEDERAL REPUBLIC OF GERMANY
FEDERAL OFFICE OF DEFENSE TECHNOLOGY AND
PROCUREMENT (BWB)

**Certificate of Approval as a Contractor
for Bundeswehr Aeronautical Equipment**

Certificate No: BWB-3401Q - E11/10/01

In accordance with § 30 of the German Air Navigation Act (LuftVG) and in conjunction with Bundeswehr Joint Service Regulation ZDv 19/1, the company

**ESG Elektroniksystem- und Logistik- GmbH
Livry-Gargan-Straße 6
D-82256 Fürstenfeldbruck**

is hereby approved by The Federal Office of Defense Technology and Procurement (BWB) as a contractor for work involving Bundeswehr aeronautical equipment, subject to the restrictions stipulated in the attached Annex.

The company is qualified to develop, manufacture, and repair the Bundeswehr aeronautical equipment listed in the attached Annex and establish their airworthiness in accordance with applicable regulations. To this end, the company maintains a quality management system suitable for these Bundeswehr aeronautical equipment.

This Certificate is based on my verification and on continuous monitoring of the company's facility on the basis of the civil aviation requirements as adapted to Bundeswehr aeronautical equipment, and on the product and performance related quality assurance requirements as laid down in the Annex. This Certificate is valid until the date below unless it is prematurely returned, temporarily suspended or revoked in total or in part.

The validity of this Certificate is subject to the application of the established quality management system and to the maintenance of the quality and performance level as certified. Any amendments to the system documentation shall require my prior approval.

**This Certificate is valid until:
31st March 2012**

Koblenz, 05th March 2010
